TARKIO WINS CUP

GETS TROPHY IN CHAMPIONSHIP H. S. TOURNAMENT

FINAL GAME TONIGHT

"Dad" Scarlett's Quintet and the Tarks Will Battle for Honors —Results of the Games

After two days of fast basketball, the Northwest Missouri High School Championship and cup goes to Tarkio High School, coached by Leslie Grimm. The final game of the tournament will be staged tonight between the new champions and Lee Scarlett's all-victorious but ineligible Richmond team.

The game will be another Tarkio-Maryville contest, as Coach Grimm is a former star for Tarkio College while Scarlett is a product of the Maryville Normal. On the showing to date Scarlett's team has the edge, but it promises to be one of the prettiest court battles of the fading season. The whistle will blow at 8:15.

Maryville High School was eliminated by Richmond yesterday afternoon. The score, however, was closer than either of Richmond's other games. The first half ended 12-4, and the game 28-7.

The Richmond team clearly outclassed the home five. It is equally certain that they outclass any other team in the tournament except Tarkio and possibly New Hampton.

Kirby starred for Maryville. His work in guarding Whiteman of Richmond stamped him as one of the best guards in the tournament.

The score:

Richmond, 28—

	f.g.	ft.
C. Whiteman	7	0-0
Detwiller	2	0-0
Campbell	4	2-10
S. Whiteman	0	0-0
Megede	0	0-0

Mason for Megede; Childs for Campbell. Lee Scarlett, coach.

Maryville, 7—

	f.g.	ft.
Egley	1	1-9
Puckett	1	0-1
Yehle	0	0-0
Robinson	1	0-0
Kirby	0	0-0

Price for Kirby. L. E. Schultz, coach.

The defeat of New Hampton by Tarkio this morning was rather unexpected. This game gave the championship to Tarkio, as Richmond is eligible to compete only for tournament honors. Tarkio put up the best exhibition of team work that has been seen thus far. The floor work and goal shooting of Kyle and Littell was the feature of the game. Swartz and York were the heavy counters for New Hampton. The score:

New Hampton, 26—

	f.g.	f.t.
Swartz	2	5-11
Funk	1	1-2
Kidney	2	0-0
York	4	0-0
Johnson	1	0-0

Tarkio, 38—

	f.g	f.t.
Boettner	3	0-0
Kyle	8	0-5
Littell	7	0-0
Brown	1	0-0
Low	0	0-0

At the close of the tournament first and second all-district teams will be

CAPTURE BIG RUSSIAN CITY

Russian War Prisoners Take Irkutsk a Great Fortification In the Siberian Province

Special to The Democrat-Forum.

Tokio, March 23.—Eighty thousand Germans, formerly war prisoners of the Russians, have captured the great fortified city of Irkutsk, capital of the Russian province of that name in Siberia, according to official dispatches received here today. No details of the capture are known and it is not learned whether there was any loss of life.

Washington, March 23. — State department officials this afternoon were inclined to doubt the Tokio report that German prisoners had captured Irkutsk in Siberia.

LADIES ARE ENTHUSIASTIC

Meeting for Demonstration in Food Planning This Afternoon is Held at the Empire Theatre

Miss Hettie Anthony, demonstrator for the state food administration, assisted Miss Bertha Beal, county chairman in presenting the home economics special courses at the initial meeting held this afternoon at the Empire theatre.

The meeting had been announced for the Commercial Club rooms but the crowd attending was too large to be accommodated and the use of the Empire was offered by Mr. Kuchs for this and other similar meetings.

The work has been received with the warmest enthusiasm by women, not onl yin the city, but over the county. The session was called at five o'clock and definite plans will be made to put into operation the first of next week.

BELIEVE LOSS EXAGGERATED

London Is Disposed to Discredit the Claims of Berlin of the Capture of 16,000 Prisoners

London, March 23.—The news coming from correspondents at the front that forty German divisions were engaged in the fighting on the front of attack and that the greatest concentration of artillery in the world's history was operating, gave the British public an idea of the tremendous struggle on the west front. But nothing in the dispatches, either from Field Marshal Haig or from the newspaper correspondents had prepared them for the German claim which reached London of the capture of 16,000 prisoners and 200 guns as a result of the first day's fighting in the new German offensive, and the disposition at the moment is to regard the claim as an exaggeration.

According to the correspondents, the British withdrawals, where they were necessary, were carried out in good order from advanced positions which, in the nature of the fighting of these days, it had been expected would be given up. These positions were generally believed to have been lightly held.

It had been intimated the Germans would claim the capture of several villages, but the dispatches gave no hint of their names, saying only it was inadvisable to indicate the present British line because this would be giving information to the enemy.

All the dispatches emphasize the heavy cost to the Germans of the first day's struggle and depict the ground from which the British have withdrawn as being littered with German dead.

NAME NEXT QUOTA

NINE MEN WILL GO TO CAMP ON TUESDAY, APRIL 2

SIX ARE VOLUNTEERS

Other Calls Will Be For Men In Small Groups, Only Few Going Into Service at a Time

Nine men will make up the next quota called to service and, according to instructions received by the draft board, will leave on Tuesday, April 2, at 4:40 o'clock in the afternoon.

Of the nine men who will comprise the quota, six voluntarily offered to go. They are:

James F. Smith, Skidmore.
Frank Miller Wiley, Lowell, Ark.
Theodore Garrison Robinson, Maryville.
Wm. Frederick Merriott, Elmo.
Carroll Dockery Moody, Maryville.
Henry A. Goodson, Graham.

The other three were chosen from registrants in Class 1-A and are:

Hugo Simon Eichenhofer, St. Louis.
Francis Earl Bluel, Maryville.
Chas. Franklin Daley, Tacoma, Wash.

"There will be no sudden withdrawal of men from the ranks of industry and agriculture during the coming summer, but men will be drawn in relative small groups during the year in such a way as to create the least possible interference with industry and agriculture," says a letter received by the local draft board.

The letter stated that Provost Marshal General Crowder will call 10,000 young men, graduates of grammar schools, who will be sent before April 1 to various technical and other schools throughout the United States for two months training, and regularly thereafter men will be sent to educational and other training institutions.

The next national quota will be 80,000, but only a small number will be inducted into service at a time. The new levies will be drawn from Class 1, and then not indiscriminately, local boards being able to pass over a man who is engaged in the planting, cultivation or reaping of a crop and defer calling him until he is no longer thus engaged. There is a bill before congress to authorize Secretary of War Baker to give furloughs to men who are in the army for industrial or agricultural pursuits if they are so fitted.

A new regulation has been promulgated whereby seniors in land grant agricultural colleges, if they are of the upper third of the class, may enlist in the quartermaster's reserve corps and are thus enabled to continue in school until graduation.

SCHOOLS IN LOAN AID

PATRIOTIC MEETINGS AT EVERY RURAL SCHOOL IN COUNTY

APRIL 12 DATE NAMED

County Superintendent Bert Cooper, In Letter to Board Members, Urges Gatherings to Arouse Interest

Following the receipt of a letter from W. G. McAdoo, secretary of the treasury, urging that a patriotic meeting to arouse interest in the third Liberty Loan be held on the evening of April 12 in every school house in the county, County Superintendent Bert Cooper has sent the following appeal to school board members of every school district in the county:

"Maryville, Mo., March 20.

"My Dear Sir:—The inclosed letter from the Honorable Secretary of the Treasury needs no explanation from me. Neither do you, nor I, nor any other patriotic citizen need to be told that we are in the throes of a great war and that its ultimate success depends upon the united, unceasing and untiring efforts of every citizen, as well as the liberal contribution of their own means.

The work of floating the third Liberty loan commences on April 6, and the evening of Friday, April 12, has been designated as a time when it is desirous that EVERY resident in EVERY school district in the United States should meet at their school house and with some kind of a patriotic meeting or entertainment arouse enthusiasm that is so important in

Mr. Harold Salmon of Chicago, artist pupil of the late Bernhard Listman, has charge of the violin department at the Conservatory. Mr. Salmon has a large class in St. Joseph and will spend only two days of each week in Maryville. He has had experience in concert work and orchestra directing and as an instructor he is recommended to be one of the most thorough and up to date. Mr. Salmon will appear in concert at Fort Dodge, Camp Funston and Fort Sill in the near future. Miss Ruth Hankins has been appointed Mr. Salmon's assistant and will have charge of beginners.

IS OUR ONE BIG JOB

BIG DEMONSTRATION TO START LIBERTY LOAN DRIVE

PLAN A LEGAL HOLIDAY

County Chairman W. C. Pierce Calls Meeting of Executive Committee —McAdoo Urges Celebration

County Chairman W. C. Pierce, in charge of the third Liberty Loan campaign, has called a meeting of the executive committee for 3 o'clock Monday afternoon to discuss plans for a patriotic demonstration and celebration, commemorating both the anniversary of the first year of the war and the opening of the drive for another Liberty Loan. The meeting is in co-operation with the policy of the government, the suggestion being made by Secretary McAdoo, who has written all heads of campaign committees along this line.

In announcing the opening of the campaign for the third Liberty Loan, Secretary McAdoo writes all members of the organization as follows:

"April 6 will be forever a consecrated day in American history and it seems peculiarly appropriate that the opening of the second year of our participation in this war should be celebrated with a nation-wide drive for another Liberty Loan. The campaign should begin with great demonstrations of patriotism in every city, town and hamlet in the country that will truly express the spirit of aroused America. On this date every American should pledge anew to his government the full measure of his resources and resolve to make every required sacrifice in the same fervent spirit that impels our gallant sons in the trenches of France and on the waters of the Atlantic to shed their blood in America's sacred cause. To carry forward America's essential part in this war for righteousness and justice every man and woman in the country must lend their available means to the government, and I know of no more fitting beginning of the second year of the war. I earnestly hope that parades and patriotic meetings will be held in all parts of the country."

Plan a Legal Holiday.

Referring to the above, W. R. Rowe, the head of the organization for the Tenth Federal Reserve District, says:

"No greater impetus can be given to the campaign for this loan, nor can any influence be more potent than a great patriotic demonstration on this anniversary date. It is planned to have this day declared a legal holiday. This day parallels in the righteousness of its commemoration of our annual Independence Day.

"No community is too large, nor is any too small to ignore this day and, everywhere this celebration should take precedence over every other business and social activity.

"We ask that you at once put in motion your plans for this work. Call to your aid every organization, every individual, every force in your county. Make your plans early and call on us for such speakers as you need as soon as you possibly can. "Come early to avoid the rush."

"This is your one big immediate job; get behind it and let the Tenth District have the most colossal celebration in the country's history."

HUNS BREAK THROUGH BRITISH DEFENSES AT TERRIBLE LOSS OF LIFE

ESTIMATES OF KILLED AND WOUNDED IN GIGANTIC STRUGGLE ARE 150,000 GERMANS AND 100,000 BRITISH—UNCONFIRMED REPORTS SAYS THAT BIG BREACH HAS BEEN MADE BY TEUTONS ON WEST FRONT

KAISER THROWS FRESH TROOPS INTO FIGHTING

Heaviest Guns and Heaviest Masses of Troops Were Concentrated in St. Quentin Sector and Flung Forward In Dense Formation

BULLETIN.

Washington, Mar. 23.—The capital was thrown into great agitation this afternoon by the report that the Germans had captured 250,000 British soldiers in the big drive now in progress. Other reports which are also without confirmation were that a most serious breach had been effected by the Germans on the west front.

Special to The Democrat-Forum.

London, March 23.—At an enormous cost of life the Germans have succeeded in penetrating the British defenses west of Cambrai, the British war office admitted today. The Germans have broken through some of their position in south Cambria sector, but it was stated that the British troops were falling back in good order. Heavy fighting continued until a late hour of the night.

The war office announced that the district through which the British had retired has previously been completely devastated by the Germans when they made their retreat from the Bapaume-Perrene district early this year and it is virtually a desert of blasted land, ruined farm houses and devastated forests.

In spite of the fury of the artillery assault and the heavy pressure of the infantry the British soldiers behaved with the utmost coolness and gallantry, retiring under orders to fortifications in their rear. Heavy fighting continues along an entire forty-mile front from Oise to the Senee river, while along the northern line and the line southeast of Arras the British lines are being held firm in spite of the fierce assaults that are being launched by the enemy.

London, March 23.—The Germans concentrated their heaviest guns and their heaviest masses of infantry in the St. Quentin sector south of which point the British and French lines join. There the Teutonic troops were flung forward in dense formation across ground which had been plowed and churned by artillery fire. The Germans suffered extraordinary losses but continued to throw fresh troops into the fighting, showing that they had received reinforcements during the past twenty-four hours.

Washington, March 23.—A decision in the pending battle on the western front is looked for by officials here within a week, as the German attack should reach its maximum of intensity within the next few days, military experts here said today. It will be beaten back, they say, if the situation to date is to be accepted as a proportion for comparison, and these experst say that it must be.

Washington, March 23.—Estimates of the casualties in the great battle now in progress reaching the British embassy today covering the period up until this evening were that the German losses from killed and wounded totaled at least 150,000 and the British less than 100,000.

British Show Great Courage.

The greatest courage is being shown by the British troops. The communication says:

"This morning the enemy renewed his attacks in great strength along practically the whole of the battle front. Fierce fighting occurred in our battle positions and is still continuing.

"The enemy made some progress at certain points. At others his troops have been thrown back by our counter attacks.

"Our losses inevitably have been considerable, but they have not been out of proportion to the magnitude of the battle.

"From reports received from all parts of the battle front the enemy's losses continue to be very heavy and his advance everywhere has been made at great sacrifice."

At Least Forty Enemy Divisions.

With the British Army in France, March 23.—The Germans continued their assault against the positions in the Cambrai sector, notably in the region of Croiselles and Hargicourt. At least forty divisions (about six hundred thousand men) were identified on the battle front. No such concentration of artillery has been seen since the war began.

Thousand Guns In One Sector.

On the southern battle field a bitter struggle was waged. The enemy had one thousand guns in one small sector—one for every twelve yards.

The hardest fighting yesterday in the northern battle was between the Canal Du Nord and Croiselles. Doignies was retaken yesterday evening in a brilliant counter attack. A bright sun at midday rendered observation possible.

Germans Claim 16,000 Prisoners.

London, March 23 (British Admiralty per Wireless Press). — Sixteen thousand prisoners and two hundred guns have been captured by the Germans according to an official German communication received by wireless.

HUGE RAILWAY WAR CHEST.

Washington, March 23.—A vast railway war chest is to be created as a result of a revolutionary army order issued today by Secretary McAdoo. The order provides that all cash demand loans and deposits and time drafts and deposits appearing on company books at the close of business on December 31, 1917, were for railroad purposes, therefore for control and audit by the respective roads.

Mrs. Frank Park Miller, Correspondent

Ben Ashford of Yuma, Colo., arrived Friday evening to visit his son and daughter, Harry Ashford and Mrs. Benny Miller.

Farmers of this vicinity have been busy sowing oats this week.

At the recent unveiling of the service flag of the Christian church at Graham twelve stars were placed in honor of the following boys who are in service: Ernest Hasty, Ft. Day, Wyo.; Otis Brown, Rex Deacon, Ray Noblet, C. Thornton, F. Neuffer, Camp Funston, Kans.; Otto Mowery, Will Findley, France; W. W. Cook, Chas. Cook, Ft. Sill, Okla.; Albert Zaph, Camp Kearney; Merril Brown, Camp Casey, Wash.

The ladies of this community met at Bethany Sunday afternoon and organized a Red Cross auxiliary. Thirty-three were present and four names were sent in for membership. The following officers were chosen: Chairman, Mrs. Frank Miller; vice chairman, Mrs. Leonard Miller; secretary, Miss Eva Davis; assistant secretary, Mrs. Schuyler Shields; treasurer, Mrs. Joe Brown. It was decided to name the auxiliary "The Wrestlers." Wiley Langford offered a vacant house on his farm, one mile east of Bethany, for a work room. The auxiliary will meet every Wednesday afternoon, with Mrs. Harlan of Graham as their instructor. As the work room of "The Wrestlers" auxiliary is situated in the extreme eastern part of this community the ladies of the northwestern section decided to organize another auxiliary. Mrs. Lize Rowlett offered one of her large rooms for a work room and a meeting was called Wednesday afternoon. There were ten members present, and a number that were not in attendance are to join in the near future. The following officers were elected: Chairman, Mrs. Lize Rowlett; secretary, Mrs. Russell Rowlett; treasurer, Mrs. Lawrence Hill. They will meet each Thursday afternoon with Miss Bessie Lyle of Graham as instructor.

Mrs. Anna Dowell of Craig will arrive Saturday to be the guest of Mrs. Lize Rowlett for several days.

Ross O. Miller, son of Mr. and Mrs. James Miller, who has been in the employ of the government at Detroit, Mich., for the past year, has enlisted in the army as a meteorologist and is now stationed at Fort Leavenworth, Kans.

Mrs. Mary King and son left this morning for Camp Funston in answer to a telegram stating that her son, Floyd Kiser, was seriously ill with pneumonia.

WAR WEDDINGS MERCENARY?

Large Number of Marriages in 91st Division Causes Deep Concern Among Officers

Camp Lewis, Wash., March 23.—So rapidly has the number of marriages among men of the Ninety-first division of the national army, stationed here, increased that officers of the division are deeply concerned. In the last six months approximately 650 soldiers have taken brides. In many instances officers believe mercenary motives on the part of the women have been responsible for the marriages.

Brigadier General F. S. Foltz, commander of the camp, is known to oppose marriages on short acquaintance. It is declared a number of women who have become the wives of soldiers here have done so merely to obtain allotments and insurance later should the soldier husband be killed.

INSUFFICIENT CANS FOR YIELD OF MAPLE SYRUP

Connellsville, Pa., March 23. — The yield of maple syrup in the camps of this section may be curtailed because of a shortage of cans. So great is the demand that an effort is being made to gather up the cans in which last season's crop was marketed. The maple flow this year is the heaviest in many seasons.

SEND SOLDIERS TO COLLEGE

Men From Camp Funston Will Learn Engineering, Motor Construction and Tractor Operation

Camp Funston, March 23.—Uncle Sam is sending men to college from this camp. A class of thirty-five leave each day from the 342d Field Artillery to take the train for Manhattan, near here, march to the Kansas state agricultural college there and become students in the engineering department of the big school, which is co-operating in every possible way with the government.

Others from the 342d and other organizations are being sent to Clintonville, Wis., Kenosha, Wiss., and Peoria, Ill. They will study at the big caterpillar tractor "quad" and four-wheel drive truck factories.

At the Kansas college the men are learning the theory of motor operation, building, types of internal combustion engines and the "back work" of gas engineering as applied to tractors and trucks which will draw the big guns and supplies of the artillery at the front.

Mr. and Mrs. Frank Rhoades of Clearmont are spending Saturday and Sunday at the home of Mr. Rhoades' mother, Mrs. E. J. Rhoades.

Among the out of town people in Maryville today are Will Jones, George Yates, Lester Staples and H. C. Hiles of Burlington Junction.

Henry and James Brank of Skidmore were in Maryville on business yesterday.

The baby daughter of Mr. and Mrs. Frazee nort hof Maryville is ill of pneumonia.

SCHOOL ELECTION NOTICE.

Notice is hereby given that on Tuesday, April 2, 1918, at the various voting places in the city of Maryville Missouri, held for city election, there will be submitted to the qualified voters of the Maryville School District being District Number 97, a proposition to levy a tax of six mills on the dollar on the taxable property of the district in addition to the four mills authorized by law to be levied by the Board of Directors.

Also the election of two directors for the next ensuing term of three years each.

Done by order of the Board of Directors this 11th day of March, A. D., 1918.

"Barbary Sheep" at Empire.

The reproduction of an Algarian village recently built in Fort Lee under the direction of Maurice Tourneur for Elsie Ferguson's initial Artcraft picture, "Barbary Sheep," attracted great attention in the New Jersey "picture" colony. It is the most remarkable duplication of architecture and "local color" ever staged for a motion picture. There is even a dilapidated horse car of the very kind to be found in Algeria, where rapid transit is still in its primitive stages, which plays its part in the picturization of Robert Hichens' famous story. At the time these scenes were being filmed thousands of motion picture "fans" from New York and New Jersey gathered on the roofs of houses and streets around the studio grounds to view the unusual proceedings. The photoplay appears at the Empire theatre tonight.

ADVERTISED LETTERS.

NOT A SLACKER

Hopkins Man Has Papers Showing Honorable Discharge

Some weeks ago the Maryville papers published a "story" to the effect that Nodaway county has four war slackers, giving the name of Isadore Tavel of Hopkins as among the number. As soon as Joseph Wenger, a general merchandise merchant of this city, saw the statement he took the matter up with Tavel, who is a brother-in-law of Wenger, and Tavel sent a certificate of discharge, showing that he was discharged from army duty on September 14, 1917, by the local board of New York City on the grounds that he is the sole support of a wife and five children. Mr. Tavel left Hopkins after registering here, going direct to New York, and asked to be placed under the supervision of the local board of that city. He has in no way tried to evade the draft, having expressed his willingness and desire to go and fight for Uncle Sam if arrangements were made to provide for his family. While he is a foreigner he is loyal to this country and hates to be unjustly classed as a slacker, and hopes the papers giving circulation to the false report will be fair enough to set him right before the people. He has many friends in the northern half of Nodaway county who were surprised when they read the article classifying him as a slacker and will be glad to know that it was all a mistake.—Hopkins Journal.

PERUNA in Your Home

A housewife must give the first aid in colds, coughs and other ailments. Her promptness in applying the remedy often saves a serious illness. Her experience with remedies has led her to know that PERUNA is always reliable, that she should have it on hand for the immediate treatment of coughs and colds, and that it is always to her

Mrs. George Parker, 419 Water St., Menasha, Wis., writes: "We have used Peruna in our family for a number of years, and have found it a perfectly reliable medicine. It soon rids the system of any traces of a cold, and prevents serious consequences.
"I began using it for catarrh, which I suffered with a good many years, but had not been very serious until recently. Since I have taken Peruna the dropping in my throat has discontinued, and my head and nose are not so stopped up in the morning. I am pleased with the results, and shall continue to use it until I am entirely rid of catarrh.
"I heartily recommend it as an honest medicine." What it does for her it is ready to do for you.

The Family Safeguard

The experience of one woman, given herewith, is typical of thousands of letters that reach the Peruna Company from grateful friends who have found their homes incomplete, and their family safety in danger without PERUNA.

Colds and Catarrh

The great weight of testimony that has accumulated in the 44 years that PERUNA has been on the market proves it, beyond question, to be the reliable family remedy, ever ready to take, preventing the serious effects of colds, coughs, grip and derangements of the digestive organs. This proof is published from time to time and many families have profited by it.

Remember you can obtain PERUNA in tablet form for your convenience. Carry it with you and be fortified against sudden attacks.

Piles Cured WITHOUT THE Knife

Is My Life Study With 18 Years' Experience

The radical and non-surgical method with which I successfully treat and GUARANTEE to CURE all forms of PILES, FISTULA and FISSURE without the KNIFE. No general anesthetic, no DETENTION from BUSINESS. Remember, that I do not treat all diseases the human body is heir to, neither do I treat incurable diseases.

E. F. HIGDON, M. D., Specialist

Our patients will tell you they are not confined to bed; walk about, and attend to their daily duties.

Read what they say:

Attorney-at-Law of Richmond, Mo.

This is to certify that Dr. E. F. Higdon, a specialist, used his mild method for piles and other allied diseases in my case, which I was troubled with itching piles and fissures, which was cured in two weeks. After receiving my treatment I drove in a buggy twenty miles on the same day, continued my work daily thereafter. This cure was made in 1912, and I have never had any return of the trouble since. I take great pleasure in recommending him to the public who is in need of his services.

Dec. 21, 1917. WM. TRAVERS THOMPSON.

Did not Lose a Day's Work on the Farm.

Mr. Jesse Hicks, farmer, age 55 years. Twenty years a sufferer of piles. I read your advertisement in the St. Joseph Gazette. Piles cured without the knife or general anesthetic, and that the guarantee was no cure, no pay. I concluded something had to be done, as I had the protruding and bleeding piles, that were gradually getting worse, which seemed to exhaust my whole energy. At times was getting very nervous, had aching pains in my back and legs, and did not sleep well at night. Today I am sound and well and have had no trouble since taking the treatment.

I take pleasure in recommending your institute methods of treatment, and was permitted to go to my home from Oregon, Mo., to St. Joseph, and did not lose a day's work on the farm nor confined to the bed or room during the entire treatment of three weeks.

To American Women.

"Go back to the simple life, be contented with simple food, simple pleasures, simple clothes. Work hard, pray hard, play hard. Work, eat, recreate, sleep. Do it all courageously."

(HOOVER).

This is the American woman's creed today. It is an especially good one just now when the beginning of a new season that brings a new growth and harvest of food stuffs is come. The educational forces of the entire food administration have been employed to help the women of America at this time. The only organized way in which a national plan of food conservation can be made possible is to build up in each state a great body of women who have been trained to uniformity in household methods and practices. For that purpose the government has arranged two special courses of twelve lessons each in home economics. Miss Bertha Beal, the Nodaway county chairman, working directly under the Federal Food Administrator of Missouri expects to start the work in this city the first of next week. These courses have perhaps the best help ever presented by the administration directly to the housewives.

P. E. O. Annual Luncheon.

The annual luncheon of the P. E. O. chapter, held last night at the home of Mrs. O. C. Hanna, was an innovative affair in that it began as all luncheons do with an excellent "spread," but it ended in a merry comedy surprising to all except the entertainment committee, which was composed of Miss Nelle Hudson, Miss Carrie Hopkins and Miss Mary Evans. The menu was served cafeteria style from the large dining table, which was spread with a cluny cloth centered with a basket of yellow jonquils and white narcissus. The guests dined at small tables similarly spread. The luncheon was in charge of Mrs. Hanna, Mrs. Frank Compton, Mrs. J. E. Dailey and Mrs. T. L. Wilderman. The entertainment followed the luncheon, and began with a piano duet by Mrs. Wilderman and Miss Hudson. Miss Josephine Wilderman presented two excellent piano numbers, "Galli-Curci" with her accompanist, alias Mrs. John Richey and Miss Hudson, sang and played to the wonder of the company. A questionnaire, conducted by Mrs. Mary D. Lawrence, to which the answers were given by Miss Hudson at the piano with song titles, was an original and highly amusing number. A quartet composed of Miss Lucie Davis, Miss Alice Worst, Miss May Anthony and Mrs. Roy Lippman, with Miss Mabel Todd, accompanist, sang songs especially composed for the occasion and of the never to be forgotten school. The star number of the program was a debate upon the question, "Can Geraldine Farrar Ever Be Excelled?" the Geraldine of debate being a hen of aristocratic lineage owned by Mrs. C. C. Corwin. The affirmative was taken by Mrs. Corwin and Miss Mabel Wells, and the negative by Mrs. J. C. Allender and Mrs. N. C. Covey. One of Geraldine's eggs, hard-boiled and decorated with a hand-painted gold P. E. O. emblem, was given each judge, but the decision was given fifty-fifty, regardless of the bribe. Mrs. Mary D. Lawrence, Mrs. J. C. Dutton and Miss Josephine Wilderman were guests of the chapter. About thirty-five were present.

Club Does Good Work.

Mrs. Henry Smock and daughter, Miss Nettie Smock, delightfully entertained the members of the Merry Mingler Club Thursday afternoon. During the social hour dainty refreshments were served. Fourteen members were present. Mrs. Fisher Mercer and son, Ralph Edwin, Miss Kate Mercer, Verlin Conley, Jr., and little Miss Laura Kathryn Conley were visitors of the club. The Merry Mingler Club has made 26 pairs of socks, 12 pairs of wristlets, two helmets and five hospital bags, which were given to the Maryville chapter of the Red Cross.

Present Tray to Instructor.

The Ireland auxiliary of the Red Cross held an all-day meeting at the home of Mrs. Ed Babb on Wednesday. They made two pneumonia jackets, five split irrigation pads, 20 oakum pads, two 5-yard rolls, 50 many-tailed bandages and 50 2x2 wipes. This was the last lesson by the instructor, Miss May Orear, and the auxiliary presented her with a silver sandwich tray in appreciation of her services. Those present were: Mrs. John Halasey, Mrs. Brice Hall, Mrs. Claude Shell, Mrs. Lon Hughes, Mrs. Al Taylor and daughter, Marie, Mrs. Elihu Shell, Mrs. Allen Haller and son, Guy Reece, Miss Lida Onstot, Mrs. Ed Babb and daughters, Irene and Leta, Mrs. Clarence Duncan. One visitor, Mrs. Onstot, was also present. The next meeting will be March 28 at the home of Mrs. Brice Hall.

Entertained Circle.

Mrs. William Anderson entertained the Bedison Home Circle Wednesday afternoon, March 20. The hours were spent in sewing for the Red Cross, after which refreshments were served by Mrs. Anderson. Those present were: Mrs. Elmer Young, Mrs. R. W. Ambrose, Mrs. R. D. Stewart, Mrs. J. B. Snyder, Mrs. Fred Dodd, Sue Young, Lida Ambrose and Laura Snyder. The next meeting will be held at the home of Mrs. R. W. Ambrose, April 3.

Entertained at Dinner.

Mr. and Mrs. James Middleton entertained at 6 o'clock dinner last night in honor of Wesley A. Jackson of Fort Dodge, Ia., home on a seven-day furlough, and who leaves today for camp. Wash Jackson was also a guest at the Middleton home.

Six o'Clock Dinner.

Mr. and Mrs. John Evans, six and one-half miles southwest of Maryville, entertained at dinner last night the following guests: Rev. and Mrs. T. J. Wiles and little daughter, Juanita, Mr. and Mrs. John White, Mr. and Mrs. Will White and Mr. and Mrs. Fred Miller.

Guests From Des Moines.

Mr. and Mrs. J. A. Longan and family and Miss Frances Hendrix of Des Moines, Iowa, arrived in Maryville this afternoon to visit over night at the home of Mr. and Mrs. Henry Westfall. Tomorrow Mr. and Mrs. Longan and family, Miss Hendrix, Mr. and Mrs. Westfall and family and Miss Mary Ford will drive to St. Joseph, where they will spend the day with friends and relatives.

Held All-Day Meeting.

Mrs. Charles Porter was hostess to the Herron Homemaking auxiliary at an all-day meeting last Wednesday. During the day 80 many tailed bandages were made. Nine members and one visitor, Miss May Shipps of Maryville, were present. The next meeting will be at the home of Mrs. Tad McDowell of Maryville, on next Wednesday.

Visited in St. Joseph.

Mr. and Mrs. Pete Myers and two sons, Daniel and Leo, Miss Rose Myers and Miss Katherine Grimes drove to St. Joseph yesterday and spent the day with Mr. and Mrs. Frank Mercer and Mr. and Mrs. Leo Bliley.

OLD AGE A CRIME!

Some people are young at 60—red-cheeked, ruddy and vigorous. Others are old at 40—joints beginning to stiffen up a bit; step beginning to lag and lose its springiness; occasional touches of pain in the back; feel tired without cause, and possibly a twinge of rheumatic pain.

In most cases these are the danger signals to warn you that the kidneys are not promptly doing their work of throwing off the poisons that are always forming in the body. To neglect these natural warnings is a crime against yourself. If you have these symptoms you can find prompt relief in GOLD MEDAL Haarlem Oil Capsules. For more than 200 years this has been the recognized remedy for kidney and bladder ailments.

GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Haarlem, Holland. Get them at your druggists. Do not take a substitue. In boxes, three sizes.

Relaaive of Mrs. W. A. Burris a Lieutenant in French Artillery School

First Lieutenant Lee Morgan Pickett of Leavenworth, Kans., whose name appeared in yesterday's casualty list, is a nephew of Mrs. W. A. Burris of this city.

Lieutenant Pickett was graduated in 1912 form the Leavenworth high school. Last year he was graduated from Purdue University, where he took an advanced course. He was commissioned last September at the close of the second series training camp at Fort Benjamin Harison. Lieutenant Pickett was one of four newly commissioned officers selected from a battery to go "over there" to attend a French school of artillery.

Relief from Eczema

Don't worry about eczema or other skin troubles. You can have a clear, healthy skin by using a little zemo, obtained at any drug store for 35c, or extra large bottle at $1.00.

Zemo generally removes pimples, blackheads, blotches, eczema, and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.

Mrs. Dudley Rice, west of Maryville, underwent an operation this morning at the St. Francis hospital.

Earl O. Henderson and family will move Monday from 402 East Sixth street to 522 West Third street.

SCHOOLS IN LOAN AID

(Continued from Page 1.)

With Bonfires and Bells.

The Honorable Secretary has said the local committee would furnish speakers when desired. You readily know it will be impossible for us to furnish one for each school district in this county, which would aggregate well towards two hundred, but if you desire one we will do our best to furnish him. My opinion, however (and I offer it to you only as a suggestion and for your consideration) would be that the plan suggested by the Honorable Secretary would be better—that of your own people coming together, the singing of patriotic songs, the reading of patriotic verses, the lighting of bonfires in the school house yard and ringing of the bell, etc.

"In this matter I know you will have the hearty co-operation of the teacher of your school, and I would ask you to immediately communicate with that teacher as well as with the other members of your board and let's see if Nodaway county can not take the front ranks in this matter. Let's see if we can not hold a greater percentage of these meetings than any other county in the state. Let's see if we can not be part and parcel of a body that does more to arouse public sentiment than is done elsewhere. In other words, let's do our duty, our full duty, our whole duty, realizing, as we do and as we must, that upon the people of this country and their unified and untiring efforts depends the final success of this cause we all know to be just.

"Yours truly,
"BERT COOPER.
"County Superintendent of Schools."

FEWER PARCELS TO FRANCE.

Postal Department Announces Non-Essentials Flood Mail to Soldiers

Washington, March 23.—In an effort to induce the people to cut down the volume of parcel post sent to troops in France the postoffice department issued today a list of things which the soldiers are able to purchase at the army canteens abroad. The list shows the canteen prices are as low and sometimes lower than the prices in this country. The postoffice list includes the following:

Biscuits, books, brushes, bouillon, candies, candles, canned goods, holiday cards, chewing gum, chocolate, cigarettes, cigars, combs, various soft drinks, dental creams, flash lights, fruit, handkerchiefs, heaters, knives, jam, leather goods, malted milk, condensed milk, evaporated milk, mirrors, nuts, pencils, pipes, razors shoe polish, shoe laces, soap, sponges, tobacco, towels and woolen gloves.

The statement says that an investigation of six thousand sacks of parcel post disclosed 3,874 pounds of candy, 1, 22 pounds of chocolate, 1,327 cakes and 2,838 packages of chewing gum.

The statement concludes by calling attention to the fact that "every pound and every ton of parcel post sent from the United States, but which can be bought by the soldiers in France, forces off the ships ammunition and other needed war materials."

For Sale——

I have for sale two Registered Percheron Stallion Colts coming 3 years old. One is a black, out of a dam weighing 1800 lbs, and sired by a horse weighing 2300 lbs. This colt is a jet black, and will breed black, as the first four sires on either side are black. He has bone, quality and action to give away, and will develop into a ton horse. The other is a very dark steel grey, out of an Imported dam weighing 1800 lbs, and sired by an Imported sire weighing 2000 lbs. This colt is more of the blocky type; a very easy keeper; has splendid conformation and is a real draft horse. He will also make a ton horse.

Either of these colts will go out and do a good year's business and be worth twice as much in a year from now as I am asking for them.

They will be offered for sale at private sale for the next two weeks, but if not disposed of before will positively be sold SATURDAY, APRIL 6, at Hosmer's regular Monthly Stock Sale. They can be seen any time two miles west of Maryville on what is known as the Walter Mutz farm.

Farmers phone 36-18.

DANCING, GAMBLING AND FIDDLE PLAYING UNDER BAN

Springfield, Ill., March 23.—Dancing, gambling and "fiddle playing" at one time formed the chief diversion of visitors to the Third General Assembly of Illinois when the state capital was located in Vandalia in 1823.

A review of the journal of the house of representatives at the time shows Representative William Lowery of Clark county was one of its strongest opponents. He introduced and had passed a resolution providing that "no dancing, gambling or playing of the fiddle shall be allowed in this hall during this (the third) session of the general assembly."

Dairy Cattle

Thirteen beautiful, High Grade Jersey Heifers, all two-year-olds and most of them have freshened within the last 30 days, giving a nice lot of milk, and nicely broken.

They are daughters of the bunch of dairy cows we sold in our sale a year ago last fall, that averaged higher than any lot of grade cows ever sold in the county up to that time. A look at these heifers will convince you that they are the real thing in dairy cattle. Also will sell one 2-year-old Jersey bull, eligible to record and a good one, and quiet and well broke.

HORSES—A pair of 3-year-old draft fillies, dark blue roans, well matched, sired by two of Roelofson's best stallions, and out of the pair of roan mares that have been on the Phares Lumber Company wagon the past year. They are halter broke and gentle, but have not been hitched.

A pair of good coming 2-year-old black colts. One bay filly coming a yearling, sired by Converse horse, and dam is a daughter of Pheonix. One six-year-old white mare, a dandy saddle animal, and tough as iron.

POLAND-CHINA BOARS—A few good boar pigs of last fall farrow.

SEED CORN—About 50 bushels of Jamison's Early Yellow, our own raising, and a corn that will grow and matures every year, regardless of season.

BALED STRAW—About six tons of good bright oat straw, baled early last fall and stored under roof.

TERMS—Cash or bankable note.
